From Junction 27 of the **M5** take the third exit on the left and follow the signs for the **A361 to Barnstaple** approximately 34 miles away. The views from this road are amazing, as there are hills and trees for as far as the eye can see, with the odd scatter of houses dotted around the rural landscape. Be aware of speed camera's situated on these open stretches of roads. **Approximately 10 and a half miles from J27** you will come to **Stoodleigh Cross** where for about 10 miles onwards on the left, stags are often seen. Continue along this road until you arrive at the South Molton roundabout housing a "Little Chef".

At this point there is a choice of routes. If it is not a busy time it is easier to drive through Barnstaple by going straight over at this roundabout and continuing along the link road. However if it is busy and you don't want to get stuck in traffic then turn right at this roundabout and **follow the A399 to Combe Martin**.

Please note that this route is not suitable for touring caravans.

### If You Choose The A399

Turn right at **South Molton** roundabout and enjoy the North Devon countryside. Carry on along this road which tends to become very bendy - beware of slow moving tractors. You will come to **The Station Inn Pub at Blackmoor Gate**. Continue straight past and admire the magnificent views of the Combe Martin countryside to your right.

It is at this point that approximately 39 miles away from the motorway you will see your first sighting of **The Bristol Channel down at Combe Martin Bay**. Along this road you will come across the turn off to your left sign posted Woolacombe on the **B3343**. Follow this road for approximately 4 miles until you reach a junction known as **Berry Down Cross**. Turn left here. Beware of the sharp bend but follow it around to the right. Continue along this road until you reach the petrol station situated at the **Lynton Cross junction**.

Travel straight across the junction and follow this road taking in the views of the sea above Ilfracombe on your right. Approximately 47 miles from the motorway you will reach **Mullacott Cross roundabout**.

Proceed straight across the roundabout and follow the signs for Woolacombe.

### If You Choose The A361 Through Barnstaple

Follow the link road for about 15 minutes until you see the town of Barnstaple in front of you. Turn right at the first roundabout and **follow the signs for Ilfracombe**. Follow the **A361 over Rolle Quay Bridge** heading for Ilfracombe. Proceed through the first set of traffic lights. Further along this road you will see **Superbowl** on your left. Go straight through the traffic lights on to the dual carriage-way the speed limit is 50mph.

Continue along this road until you reach the end of the carriage-way into the 40mph zone. **Proceed along the A361** through the villages of **Braunton** and **Knowle** until you reach **Mullacott Cross roundabout**.

At Mullacott Cross roundabout take the first junction and follow the signs for Woolacombe. After about two miles from the roundabout you will come to a Y Junction. For **Golden Coast Holiday Village** follow the road around to the left and passing "**Once upon a Time**" you will arrive at the Parc on the left.
